

## **Notice that Resident may Request a Reasonable Accommodation for a Handicapped Household Member**

Lebanon Housing Authority in compliance with Section 17 of the Dwelling Lease, "Accommodation for Persons with Disabilities," you are notified that at any time during your occupancy you may request a reasonable accommodation of the unit for a handicapped household member. This would include reasonable accommodations that would allow the household member to meet dwelling lease requirements or other requirements of occupancy.

Your request must be submitted, in writing, to the housing manager at the rental office. The request must specify the type of accommodation needed and state the reason the accommodation is needed for the family member.

The PHA may verify the nature of the disability and the extent of necessary reasonable accommodations to be supplied.
