Attention Residents: Pest Control Information

It states in your lease that the LHA will enter into your apartment with pest control. The LHA Newsletter will provide the month and date this service will be performed (inside and outside of your apartment).

LHA and pest control have come across numerous screen doors that are locked and no one will come to the door. If no one answers the LOCKED screen door, LHA maintenance department will open the screen door and we will enter your apartment with pest control.

Note: If there is any damage to the LOCKED screen door, the tenant will be held responsible for the damage. Charge will be \$20.00.

Remember, we inspect every time we are in your apartment.
